KIDS ARE POWERFUL.

CHANGE MADE BY KIDS, FOR KIDS.

Ari's Angels helps kids turn their ideas into action and make the world a better place.

We believe kids are powerful. They have ideas, energy, creativity, compassion, and the ability to make a real difference.

Our goal is to make it easy for kids and the adults who support them to do something meaningful together.

Because when kids take action, they help their communities and build skills they'll carry with them for life: communication, confidence, collaboration, creativity, and problem-solving.

And when an adult joins them, it creates something just as valuable: shared time, shared experiences, and memories built around doing something that matters.

ARI'S ANGELS

@ARISANGELSFUND

YOU DON'T HAVE TO HAVE A LOT OF TIME, MONEY, OR EXPERIENCE.

YOU JUST NEED A KID WITH AN IDEA AND AN ADULT WILLING TO HELP THEM MAKE IT HAPPEN.

THIS FALL'S PROJECT

FILL A WHOLE U-HAUL

This fall, Ari's Angels is helping **Hope 4 Youth**, a local organization that supports kids who don't have a safe home or family to go to.

Hope 4 Youth gives them a place to stay and helps them get food, stay in school, and find jobs.

OUR GOAL IS BIG:

FILL A WHOLE U-HAUL WITH FOOD.

We want kids in our community to have enough to eat this winter.

And we're going to need a lot of powerful kids to make it happen.

ARI'S ANGELS

KIDS ARE POWERFUL. KIDS CAN CHANGE THE WORLD.

3 WAYS YOUR CHILD CAN HELP

You and your child can choose whichever option works best for your family.

It doesn't have to be a parent. A grandparent, guardian, older sibling, family friend, or another trusted adult can help a child take on their project.

1.
COLLECT FOOD

Your child asks friends, family, neighbors, and others to donate food.

THE ADULT HELPS BY:

- Helping your child decide who to contact
- Helping coordinate food pickups
- Making sure donations get to the collection point

Your child uses the Food Collection Script to make the ask.

2.
ASK FOR DONATIONS

Your child asks friends, family, neighbors, and others to make a monetary donation.

THE ADULT HELPS BY:

- Providing the donation link
- Helping your child share it
- Helping track or manage donations

Your child uses the Donation Script to make the ask.

3.
SELL SOMETHING

Your child can make something to sell or use one of the fundraising items provided by Ari's Angels.

THE ADULT HELPS BY:

- Helping your child make or obtain the items
- Helping manage orders and payments
- Helping get the proceeds to the fundraiser

Your child uses the Sales Script to make the ask.

CHANGE MADE BY KIDS

Your child makes the call.

Your child tells the story.

Your child makes the ask.

Your job is to give them the support they need to make it happen.

OTHER WAYS ADULTS CAN HELP

Your child's project is one part of the effort. There are other ways you can help us fill that U-Haul.

CHECK FOR COMPANY MATCHING

Does your employer match charitable donations?

A donation your family makes may be eligible to be matched by your company, potentially doubling your impact.

Check with your employer's HR or benefits team to find out.

SPREAD THE WORD

Share your child's project with friends, family, neighbors, coworkers, or community groups.

You never know who might want to help a kid make a difference.

HELP YOUR CHILD THINK BIG

Ask your child:

WHO COULD WE ASK?
WHAT COULD WE MAKE?
WHAT COULD WE SELL?
WHO MIGHT WANT TO HELP?

Let them come up with the ideas. You can help make the ideas possible.

CELEBRATE THE EFFORT

The goal isn't just how much your child raises.

It's that they saw something they cared about and decided to do something about it.

THAT'S POWERFUL.
